

ADDITIONAL EXCHANGES OBTAINED BY DIALLING

The following exchanges will be printed as shown below in future issues of the London Telephone Directory.

To call a subscriber on an exchange with the first three letters in **HEAVY** capitals—

dial the first three letters of the exchange name, followed by the number required.

To call a subscriber on an exchange with the first three letters in **LIGHT** capitals—

dial the first three letters of the exchange name ; wait for the "pip-pip" signal or the operator's answer, then give the number required. (The "pip-pip" signal indicates that the operator is waiting.) Ringing tone will not be heard on calls to some of these exchanges.
