## Private Manual Branch Exchanges (PMBXs)

## DLC 1 October 1968 Index and Charges Section C leaflets

## **PLEASE NOTE**

This is a simple guide which is not intended to be a comprehensive list.

Exchange line charges are not included, these are given in General Information leaflet DLX 1.

For each extension within the building (internal extension) from these switchboards, there is a connexion charge of f and a quarterly rental of f and f a quarterly f and

For each extension to another building (external extension) there is a scale of connexion charges starting at  $\pounds 5$  and a scale of additional rental starting at  $\pounds 1$ , both based on distance.

The full connexion charges are shown, but in certain instances reductions are made.
