General Index

(TRANSITION SHEET)

DLT 1June 1969

General Index

This sheet is intended to be a guide for staff using Descriptive Leaflets. It shows the range of leaflets in the order in which they can be most usefully held in the folder, and should be placed in front of the set. Space has been provided for recording when new-style leaflets become available. Staff should normally receive the new issues within three weeks of the announcement in the POC.

Leaflet Number	Subject	Date available in new style	Remarks
DLX1	General Information – Telephone Service	20. 11. 1968	
DLA1	Preface Sheet – Charges for Section A	20. 11. 1968
