your modern telephone

You can have a modern telephone on a new installation for one payment of £1. If you already have an ordinary telephone and wish to change it for a modern one, an additional charge of 30s for changing the instrument may be payable, making £2 10s in all.

You can choose your modern telephone from those illustrated in this leaflet or you may prefer to call at the Telephone Manager's office and make your selection from the complete range on display there.

Your Telephone Manager's address and telephone number are given in the preface to the telephone directory.

The base of the instrument, including an allowance for the cords at the rear, occupies a space of $9\frac{1}{2}'' \times 6''$. The overall height is $4\frac{3}{8}''$.
