

Only those telephone instruments which have been provided by Post Office Telecommunications are permitted to be connected to the UK Public Switched Telephone Network.

Call your local Telephone Sales Office for further details of the Classic Telephone. The address and telephone number are shown in the preface of your Telephone Directory.

For charges see separate leaflet.

#### Please Note

We do our best to supply our customers with the apparatus they ask for but we may have to provide apparatus which does not accord exactly with the descriptions and illustrations in this leaflet.

Range  
Telephones

### The Classic by STC

This distinctive telephone is fashioned after a classic design of the past, the 'Classic' comes in black or white, complete with brass trim. Its elegant lines will bring style and grace to any home.

The design may be taken from the past, but the

technology is of today. It can be used as a main telephone or on most extensions, so you can extend your telephone service around the home.

The Classic Telephone, manufactured by Standard Telephone & Cables Ltd., is installed and maintained by Post Office Telecommunications.
