The Dawn by Northern Telecom

A modern design dial telephone with rounded lines and a low profile which will lend itself to a wide range of decors. It has an integral bell with volume control.

It can be installed as a main telephone or, in most home situations, as an extension.

The Dawn is not suitable for use on shared exchange lines.

It is available in three colours: Pale Yellow,

Avocado Green or White.

The Dawn telephone, supplied by Northern Telecom (UK) Ltd, is installed and maintained by British Telecom.

Call your local British Telecom Sales Office for further details of the Dawn Telephone. The address and telephone number are shown in the preface of your Telephone Directory.

For charges see separate leaflet.
