The Customised Astrofon

Please Note

We do our best to supply our customers with the apparatus they ask for but we may have to provide apparatus which does not accord exactly with the descriptions and illustrations in this leaflet.

From
British Telecom

The customised Astrofon from British Telecom

We are now able to offer companies the customised Astrofon—a modern electronic telephone in an attractive style and with space for a printed design.

Taken from our already successful range of special telephones, customised Astrofons are available in a wide selection of body colours:

beige, buff, dark red, light red, yellow, blue, green, black, white or brushed chrome.

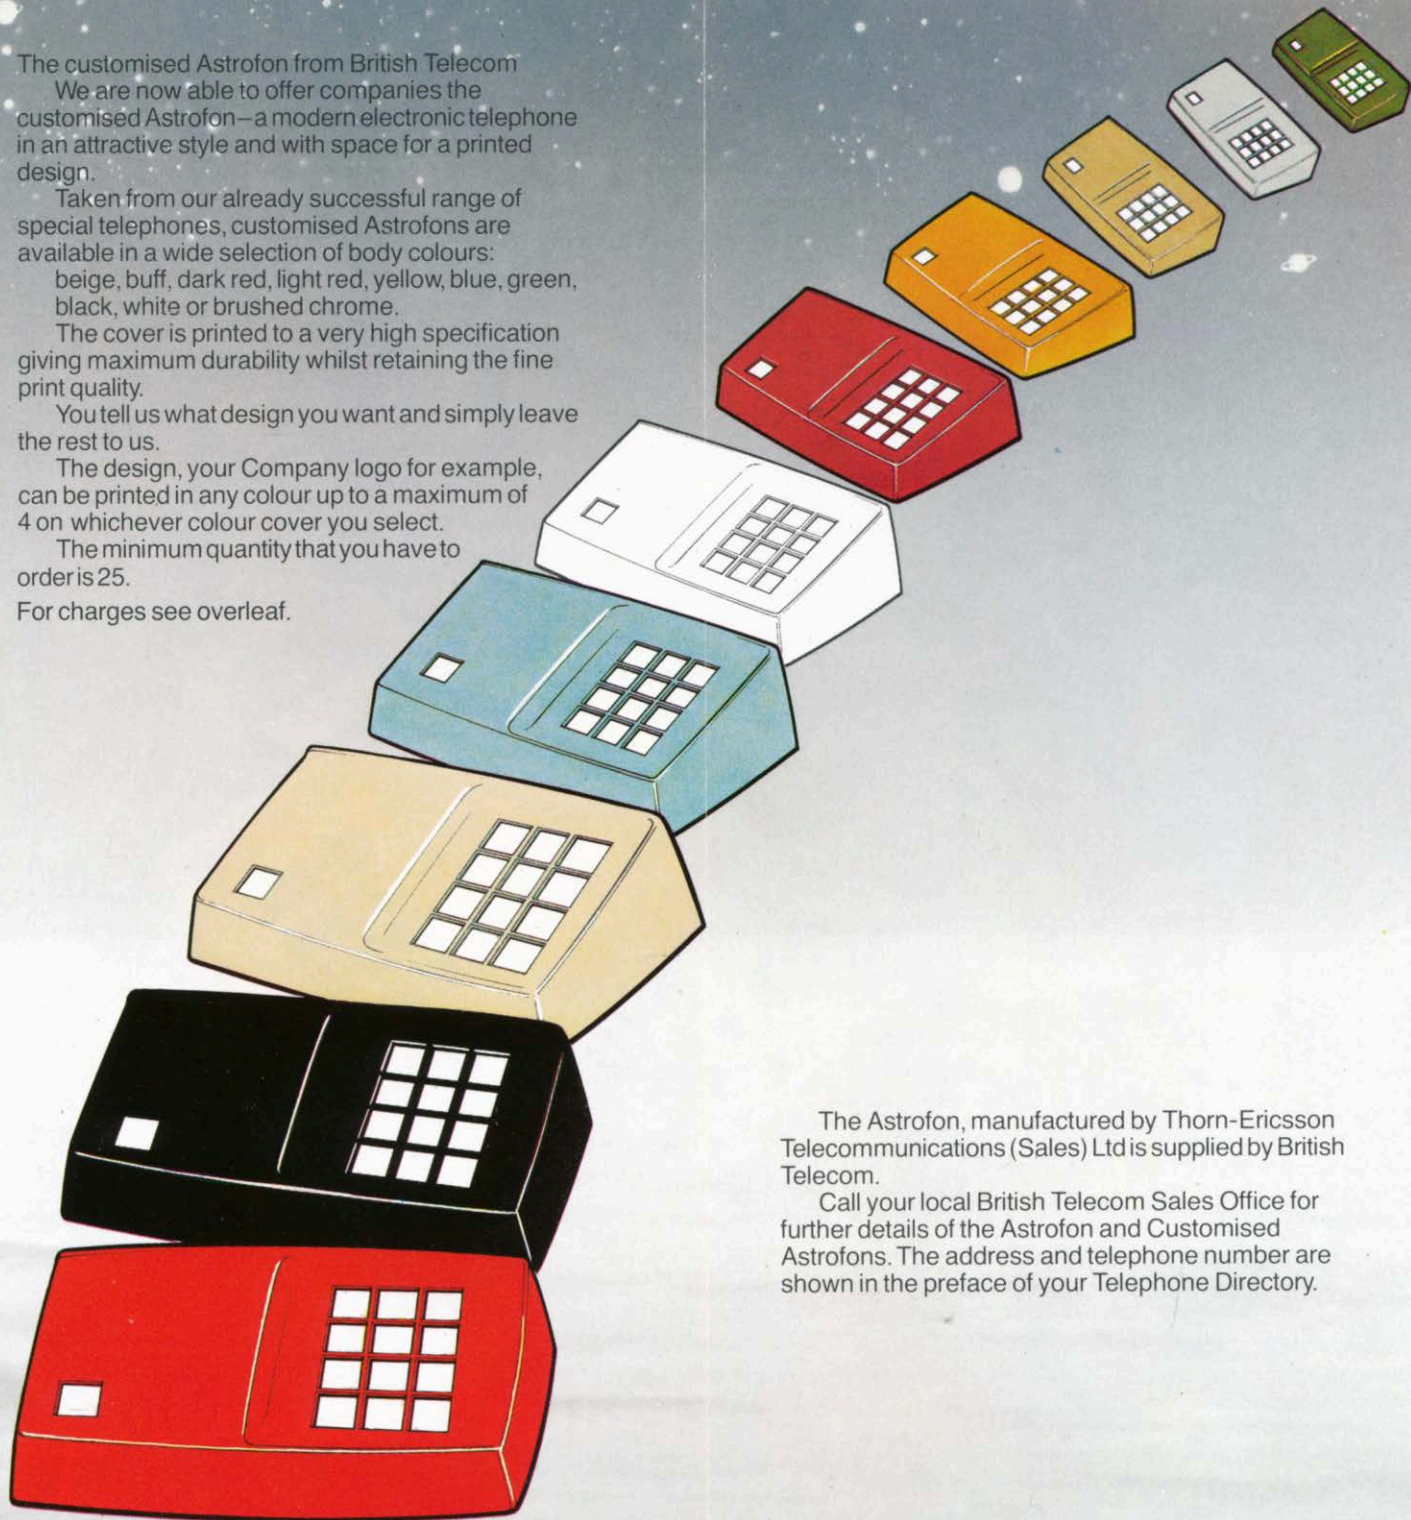

The cover is printed to a very high specification giving maximum durability whilst retaining the fine print quality.

You tell us what design you want and simply leave the rest to us.

The design, your Company logo for example, can be printed in any colour up to a maximum of 4 on whichever colour cover you select.

The minimum quantity that you have to order is 25.

For charges see overleaf.

The Astrofon, manufactured by Thorn-Ericsson Telecommunications (Sales) Ltd is supplied by British Telecom.

Call your local British Telecom Sales Office for further details of the Astrofon and Customised Astrofons. The address and telephone number are shown in the preface of your Telephone Directory.
