

Only those telephone instruments which have been provided by British Telecom are permitted to be connected to the UK Public Switched Telephone Network.

Call your local Telephone Sales Office for further details of the 'Contemptra'. The address and telephone number are shown in the preface of your Telephone Directory.

For charges see separate leaflet.

#### Please Note

We do our best to supply our customers with the apparatus they ask for but we may have to provide apparatus which does not accord exactly with the descriptions and illustrations in this leaflet.

### The Contempra by GEC

The attractive modern style of the Contempra Telephone will be at home in any sort of setting – whether it be in the lounge or at the office.

As a special feature, the 'Contempra' has its dial built into the handset, which has an extra long cord, so you can relax in comfort whilst making your calls.

Available in three colours – gold, brown or orange, the 'Contempra' can be used as a main telephone and also on most extensions.

The Contempra Telephone, manufactured by GEC Telecommunications Ltd., is installed and maintained by British Telecom.
