The Astrofon by Thorn-Ericsson

A modern electronic press-button telephone with a pleasing functional design.

The clear lines and striking colours of this telephone bring that touch of distinction to the modern home.

Available in body colours of white, beige, green or dark red, and in buff for use on switch-board extensions. The Astrofon is light in weight with a moulded handgrip below the handset rest. Suitable for most types of extension arrangements and with an adjustable volume control on the bell, the Astrofon has a design for today that is sure to last.

The Astrofon, manufactured by Thorn-Ericsson Telecommunications (Sales) Ltd., is installed and maintained by British Telecom.

Call your local British Telecom Sales Office for further details of the Astrofon. The address and telephone number are shown in the preface of your Telephone Directory.

For charges see separate leaflet.
