

HELLO!

IS THAT YOU?

*... and having got my
rise I opened an account in
the Post Office Savings Bank
right away...*

*... thought I'd save a bit
every pay-day for our home
and holidays etc.*

*Deposits are allowed in the Bank
up to £500 a year (£3,000 in all)
at 2½% interest per annum.*

*No fuss about getting
money out either!*

*It's perfectly easy at any of
20,000 Branches...*

GOOD IDEA!

*I'll open an account too
and we can both
benefit from the new
Income Tax concessions.*
